Sexing is guaranteed to be 90% accurate. If more than 10% of birds received are cockerels we will credit half cost of the bird

\*dual purpose breed

### **Disclaimer:**

I understand that day old chicks, poults & ducklings are very fragile and susceptible to pneumonia & other disease. I therefore release AFS - 9 from any liability for the health of the birds after they leave the store. I understand that the Hatchery guarantees live delivery only.
